

Ivor Griffiths
Head of Marketing

The past year has been extremely busy in all aspects of Marketing. Many projects were undertaken and completed and some of these were reported in Issue 2 of the Marketing News and summarised in my review at the Club Annual General Meeting held in December. I am looking forward to 2009, a period in which I can address new projects with renewed vigour and enthusiasm and continue to deal with all matters pertaining to marketing for the benefit of the Club and its members. I am always happy to hear from you, so please do not hesitate to contact me by email at ivorgriffiths@sky.com with any concerns, queries or general points of view.

Your Ideas

Ideas are the engine of progress, they improve peoples lives by creating better ways to do things. Problems become opportunities. So let's have your ideas to help build and grow a successful Club.

Fixture Diary 2009

For 2009, and primarily as a cost saving measure, we will not be issuing a printed booklet containing the diary of club fixtures. Instead, all the fixtures will be available on the club website. For those who do not have access to a personal computer, monthly print-outs can be obtained from the office.

Open Competitions

Last year was the 120th Anniversary of our Club and as part of the celebrations we put on a number of Open competitions. We were asked by many competitors to repeat them in 2009, so by popular demand they are back for a repeat performance. Details are available on posters in the Clubhouse and on the website. Entry to these competitions may be made either in the Office, by telephone, by post or on-line at www.newforestgolfclub.co.uk

Charity Contributions - we have ended another golfing season where charities have benefited from the generosity of members of the New Forest Golf Club. The Mens section donations went to the British Red Cross; the Ladies section collected £1,000 for the Rainbow Trust and the Seniors Section presented Honey Pot House with £1,729. Well done to everyone.
