

## Business Partnership Scheme

New Forest Golf Club works closely with local businesses, accordingly we invite you to become a member of our Business Partnership Scheme.

This is an excellent value for money opportunity to give your marketing campaign a boost by using our golf facilities to develop new and enhance existing relationships with your business associates and clients. The scheme includes the following :

- Full Club membership for one nominated Company Executive, allowing this individual unlimited golf
- One fourball tee time each month for use by your company employees business associates, clients and guests
- Discounted Green Fees on all other rounds of golf organised at the New Forest Golf Club
- Your Company name engraved on the face plate of one of our course tee marker blocks
- Allocation of an advertisement section within our Club website which attracts over 1 million hits per annum, and a link to your Company website
- Opportunity to sponsor specific Club competitions and events
- Advertising within our Clubhouse and on selected competition posters and flyers
- Advertisement placed in our Hampshire PGA Pro-Am Tournament programme
- On-going liaison between New Forest Golf Club and your Company to identify and implement mutually beneficial business arrangements

The combined value of the above benefits is in excess of £2,500, however, the cost of becoming a member of the Business Partnership Scheme and enjoying all of the benefits for one year is only £1,250 exclusive of VAT. A fantastic opportunity to market your Company.

If you would like to participate and become a member of the New Forest Golf Club - Business Partnership Scheme, please contact us.
