.....alternative option

For those businesses who do not wish to purchase Green Fee Vouchers in advance, an alternative option is available.

To this end we offer a 25% discount off our standard Green Fee rates.

The actual rate payable depends on the day of the week, time of day and season in which the golf tee time is required.

This will discount payable Green Fees down to a range between £15 and £22 per round.

Payment for each Green Fee can be made either in advance by the Hotel or by the golfer on the day.

Arrangements for tee times must be made in advance through our Golf Manager, Kevin Nolan.

This alternative option does not give the maximum discount of 60% as the Hotel Membership Scheme does, but still offers extremely good value for those looking for golf in the New Forest at an affordable rate.

In addition, we will still give you the benefit of :

- Free business advertising on our Club website
- Free link on our Club website to your website
