

Hotel Membership Scheme

New Forest Golf Club is keen to work with local businesses, accordingly we invite you to participate in our Hotel Membership Scheme.

This mutually beneficial offer allows us both to gain an increased market share by way of attracting more customers to our businesses and to the New Forest area.

Our Hotel Membership Scheme gives you the benefit of :

- Free business advertising on our Club website which attracts over 1 million hits per annum
- Free link on our Club website to your website
- Golf green fees at up to 60% discounted rates
- Ability to offer golf and accommodation as a package
- Opportunity to offer golf as an incentive or promotion

The Hotel Membership Scheme allows you to procure 'bundles' of Green Fee Vouchers from us in advance at greatly reduced rates.

£295.00 for 25 rounds of golf (equivalent to only £11.80 per round)
£500.00 for 50 rounds of golf (equivalent to only £10.00 per round)

The above prices exclude VAT and are valid for the year 2009.

Arrangements for tee times must be made in advance through our Golf Manager, Kevin Nolan.

The above Green Fee Voucher costs are priced at well below our standard rates.

Purchasing rounds of golf this way gives you the opportunity and flexibility to either include them within a package for your guests, sell them individually or use them for business incentive or promotional purposes.

.....alternative option

For those businesses who do not wish to purchase Green Fee Vouchers in advance, an alternative option is available.

To this end we offer a 25% discount off our standard Green Fee rates.

The actual rate payable depends on the day of the week, time of day and season in which the golf tee time is required.

This will discount payable Green Fees down to a range between £15 and £22 per round.

Payment for each Green Fee can be made either in advance by the Hotel or by the golfer on the day.

Arrangements for tee times must be made in advance through our Golf Manager, Kevin Nolan.

This alternative option does not give the maximum discount of 60% as the Hotel Membership Scheme does, but still offers extremely good value for those looking for golf in the New Forest at an affordable rate.

In addition, we will still give you the benefit of :

- Free business advertising on our Club website
- Free link on our Club website to your website
