Juniors 2009

8th August 2009 – Match vs Bramshott Hill

Dual membership is a mixed blessing especially when your best player, for the noblest of intentions turns out for the other team and returns the best score. Not daunted the Junior team battled on, for some nothing would go right often too far left. In the Stableford format Bramshott Hill won the match by 119 points to New Forest 90 points. Player of the match was Chris Loader.

27th June 2009 - Junior Club Championship

Temperatures soared at the New Forest golf course at Lyndhurst on Saturday 27th June 2009 but that didn't deter the Junior section who played out their Junior Championship over 36 holes of medal play. A highly competitive competition ended with some remarkable scores being achieved. After the first round it looked like Tom Coulson would be the runaway winner of the Gross Championship but a strong afternoon performance by Andrew Hare ensured a closely run event. With a lowest gross score of 154 over two rounds, Tom Coulson was declared Junior Club Champion 2009. The lowest nett score went to Ben Saunders with 122. Other results were best first round gross Bayley Lewendon 81; best first round nett Matt Hillier 68; best second round gross Andrew Hare 74 and best second round nett Owen Grimes 67.
