Junior Club Championship

'Josh Young Crowned Junior Champion'

With junior members arriving at the Lyndhurst course of New Forest Golf Club just after dawn, the day was beginning for those competing in the 2011 Junior Club Championship. A day where the culmination of the seasons training would be put to the test over two rounds of golf to determine who will be crowned the junior champion for 2011. The weather was ideal for the time of year with very little wind and a clear blue sky. The end of round one saw Josh Young return to the clubhouse with a narrow lead of one stroke over Ben Davies, with Owen Grimes a further three strokes back. After a short break for lunch the lads returned to the course for the final round. Josh Young, playing off handicap 5, settled down to produce a significant improvement on his mornings effort to extend his lead and take the Junior Club Championship title with a winning 36 hole total score of gross 148, twelve strokes ahead of second placed Ben Davies on 160 with third placed Owen Grimes on 166. The Nett Championship Cup went to Owen Grimes for his 36 hole total of nett 130. Adult members of the club gave their support to the juniors by way of assisting with the days organisation which ensured the day was enjoyed by all.
