Club Championship - 4th September 2011

Club Championship is probably the main event of the season at New Forest Golf Club as members gather to compete in the 36 hole one day competition, not only for the prestigious Club Championship Trophy which is awarded to the Best Gross over 36 holes, but for the Martin Tadgell Trophy for Best Nett over 36 holes, the Trigger Newman Trophy for Best Gross over 18 holes and the Dougie Briggs Trophy for Best Nett over 18 holes. The day commenced shortly before 8.00am with the good wishes for all from Club Captain Alan Morris followed by competitors starting from two tee positions, the 1st and 11th. The weather was not what was required, the steady drizzle at the start became continuous and heavy and a particular downpour engulfed the course resulting in a number of greens being unplayable. Organisers decided to sound the klaxon and call the competitors off the course. As the competition was started from different tees it was decided to cancel the first round and await improved conditions. The rain eventually eased and after some excellent work by staff and volunteers to remove the water from the greens, play resumed in the afternoon for a reduced 18 hole competition. During the waiting period a snack lunch was provided in the Clubhouse which gave competitors time to dry out. It was then back to business to concentrate their efforts on one final round. The 18 holes were completed just after 6pm after which a buffet dinner was enjoyed by all followed by the presentation of prizes. Tony Hindmarch played some excellent golf to plot his way around the course with a gross score of 69 to take the Club Championship by a two shot margin from second place Steve Holland. Best Nett player of the day was Gordon Dale with a nett score of 63. During the presentation, a delighted Tony Hindmarch said that he had been trying to win the Club Championship for thirty two years so the message to everyone must be 'never give up'.

Club Champion - Tony Hindmarch

Nett Club Champion - Gordon Dale
