## Ringwood Brewery AM/AM Charity Day

### 'New Forest Golfers donate £1,000 to Alzheimer's Society'

On Saturday 6th June, seventy golfers at the New Forest Golf Club took part in a relaxed days golf competition in aid of the Alzheimer's Society. The day started with the observation of a minutes silence for the D Day Anniversary. It was a cold chilly morning but the swinging of clubs soon warmed everyone up and of course the barrel of beer provided by Ringwood Brewery was enjoyed by all and was empty by the end of the competition. After feasting on a good buffet and buying a bundle of raffle tickets, the total sum collected from the very generous golfers of the New Forest Golf Club was £1,000. This was presented at the end of the day to two representatives who attended from the Alzheimer's Society. The club thanked Ringwood Brewery for their continued sponsorship and support of this event now in its fifteenth year, also to everyone who helped make this another memorable charity day.
