## 'Victory for Paultons Golf Centre at New Forest Seniors Rally'

The New Forest Golf Club Rally, sponsored by Fuller's, is held annually at the Lyndhurst course and is open to invited teams from Hampshire and Dorset. The competition, a full handicap qualifier stableford with the team score consisting of the aggregate of the four scorecards from each team. The clubhouse was buzzing soon after dawn as guests arrived early to register, enjoy their coffee and prepare for the shotgun start. The weather stayed fine all day and with a well prepared course, this allowed some excellent golf to be displayed. The Paultons Golf Centre 'B' team of Keith Hayes, Tony Breen, Ian Pugh and Ivan Stickley played consistently well to accrue a total of 137 points which was the same total as second placed team Salisbury & South Wilts 'A' but with a better back nine score and this was enough for them to take the trophy. Third place went to Ryde 'A' just one point behind on 136. New Forest Golf Club members entered in a separate competition within the Rally and in this event their 'D' team of Richard Hammond, Roger Linfield, Ted Groves and Fred Williams was successful with 138 pts. The day was rounded off with an excellent buffet lunch in the clubhouse followed by the presentation of prizes by Seniors Captain Alan Clark and Fuller's Regional Sales Manager Mandy Lacey. Special thanks went to John Preston, Seniors Secretary, for his organisational skills which ensured the event went smoothly and was enjoyed by all. Thanks also went to the staff at New Forest Golf Club for preparing the course and for the catering arrangements.
