'Ivor Griffiths Retains Seniors Club Championship'

At the end of day one of the 36 hole 2011 Seniors Club Championship held over two days at New Forest Golf Club, Ivor Griffiths with gross 76 held a four stroke lead over Ray Buncombe with John Ledger and Richard Hammond a further two strokes behind. Scoring was not easy in the first round as the strong breeze cut across the course. Day two brought much improved weather conditions with little to no wind under a clear blue sky. Ivor Griffiths, who won last year's Seniors Championship, gave a good all round performance and played the final nine holes in two over par to card a 36 hole total of 155 to take the 2011 Seniors Championship title by a seven shot margin over second placed Richard Hammond on 162. The Sandy Sanders Trophy for the best nett score over the two rounds was won by Alan Clark with a score of 130.
